### TERMS AND CONDITIONS OF SALE

1. The highest bidder will be the buyer, and if any dispute arises between two or more bidders, the animal in dispute will go to the person recognized by the auctioneer.
2. Terms of the sale are cash. Payment must be made before the horses and cattle are removed from the grounds. No horses or cattle will be rejected by the buyer after they have been struck off by the auctioneer. Buyers must assume all expenses and risks on horses and cattle after they have been struck off to them by the auctioneer. Examine animals carefully before you bid, so you know what you buy.
3. Every effort has been made to assure correctness of this catalog, but statements from the auction box take precedent over any and all catalog statements.
4. Buyers are reminded that these Terms and Conditions shall be strictly honored by the Birdtail Ranch and it is suggested that these terms and conditions be fully read and understood before a buyer makes a bid. Visitors to the Birdtail Ranch are requested to exercise caution while on the ranch property, since the Birdtail Ranch cannot be responsible for accidents to persons or private property. It is our desire to avoid any and all accidents at all times, and we ask that you use caution as you walk among the horses and cattle, or wherever you may be on our property.

Consignor of horses and cattle or auctioneer shall not be held legally liable for any action or injuries whatsoever by purchasers or persons attending the sale.

5. **Transfers must be signed on all horses by purchaser before leaving.** Brand Inspector and Veterinarian will be on grounds.
6. All transfers will be paid by the sellers, and will be forwarded to the American Quarter Horse Association and American Shorthorn Association by the seller for transfer to the new buyer.
7. Delivery anywhere, for cost, in the U.S.A. or Canada. **Purchaser must insure stock if seller is to deliver.** (Cost meaning actual cost of gasoline, rooms, meals and expenses incurred to place of delivery and return to Birdtail Ranch, Simms, Mont.) Every effort will be made to accommodate buyer, however, no responsibility will be assumed by sellers as to safe delivery of livestock.
8. **IMPORTANT**—Many of the horses listed in this sale are the property of the three brothers, Douglas, Fred and Dave Dear. It was decided, by the brothers, that the auction route was their best solution in selling this group of horses. Numerous ones of these mares and youngsters Douglas and Fred had wished to retain for their own, but could see no satisfactory method of deriving price. Hence, they agreed they should auction the entire group. The opportunity to own some tremendous mares and young stock will be found at this sale.
9. Doug and Nancy Dear are dispersing all their Registered Shorthorn Cattle.
10. Injured horses will be scratched from sale, or started at a figure considered appropriate and retained by owners if no higher bid is received.

Sincerely,

Douglas and Nancy Dear

### Classy Bar 83.630 (Reference Sire)

Sire:

Sugar Bars 42606 AAA

Three Bars T. B.

Frontera Sugar 5731

Dam:

Mokey 36125

Leo 1335

Star Baby Brooks 6640 )

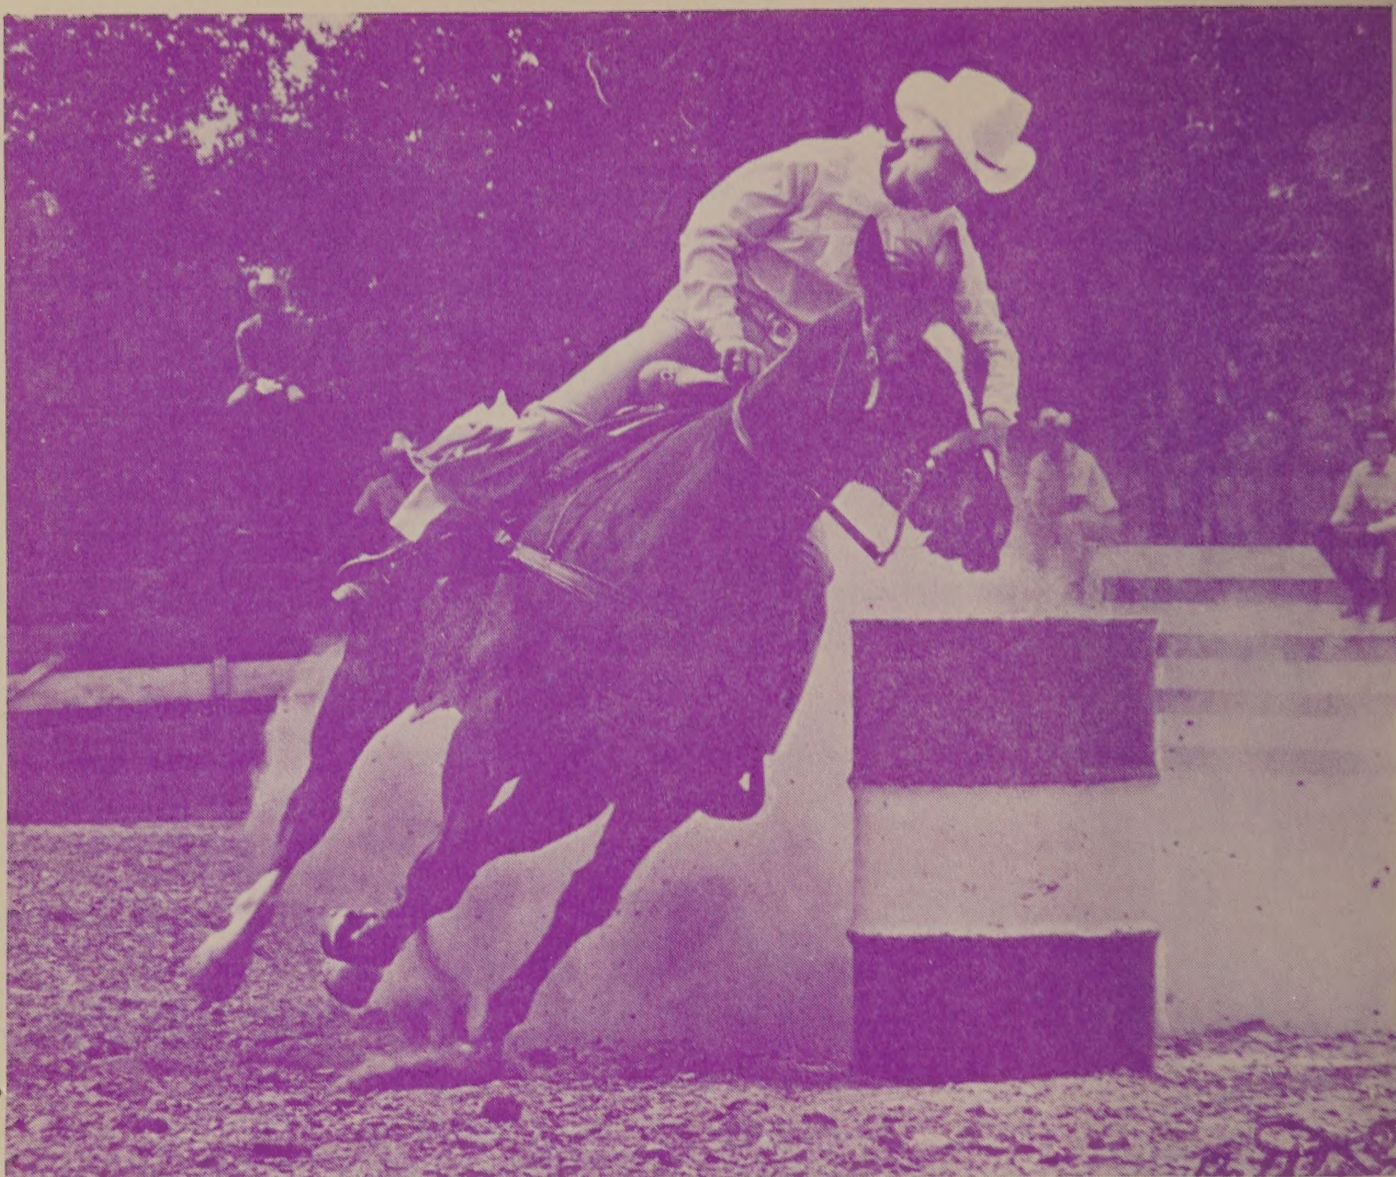

The first two Supreme A.Q.H.A. Champions are the Three Bars — Leo cross, and the third is a Three Bars. Proof that Brains, Natural Working Ability, Speed, and Conformation are bred into them!!

We've always felt Classy Bar had one of the finest pedigrees you could write. No unknowns show up as far back as you can trace it. It's solid all the way with horses noted for ability. We feel this helps to make him the sire that he's proven to be.

In our 28 years of breeding quarter horses we've come to know that sires of horses (as well as cattle) do not appear every day. Pedigrees have come to mean more and more to us, and no proof of any horse can be learned in a few years. Most of the greatest sires have been dead before their real value has been determined.

LEST WE FORGET—QUARTER HORSES DO WHAT COMES NATURAL—EVERYTHING!!

## Youth — And The Classy Bars

**(Reference — Pictured — Dee Dee Dear making a fast run on Classy Jilleena.)**

We are extremely proud of our Classy Bars and their ability to please the young people. 4-Her's from all over Montana have come to our sales to buy them, and at the shows it's not unusual to hear the names — Classy Starleta, Classy Cadet, Classy Zanzibar, Classy Pauleeta, Classy Angelita, Classy Jilleena, Classy Kimero, Classy Whirl Bar etc, being called to the winners circle.

In '68, Dee Dee, our daughter won the State 4-H Award in Horses, and went to National Club Congress at Chicago where she won a \$600.00 scholarship given by Merck Chemical Co. All was done with offspring of Classy Bar.

At the State Fair, '69, she entered Classy Angelita in 8 events, Jr. Reining, Working Cow Horse, Jr. Cow Cutting, English and Jr. West, Pleasure, Youth Pleasure, Youth Reining and Breakaway Roping. She placed no lower than 4th in 6 events.

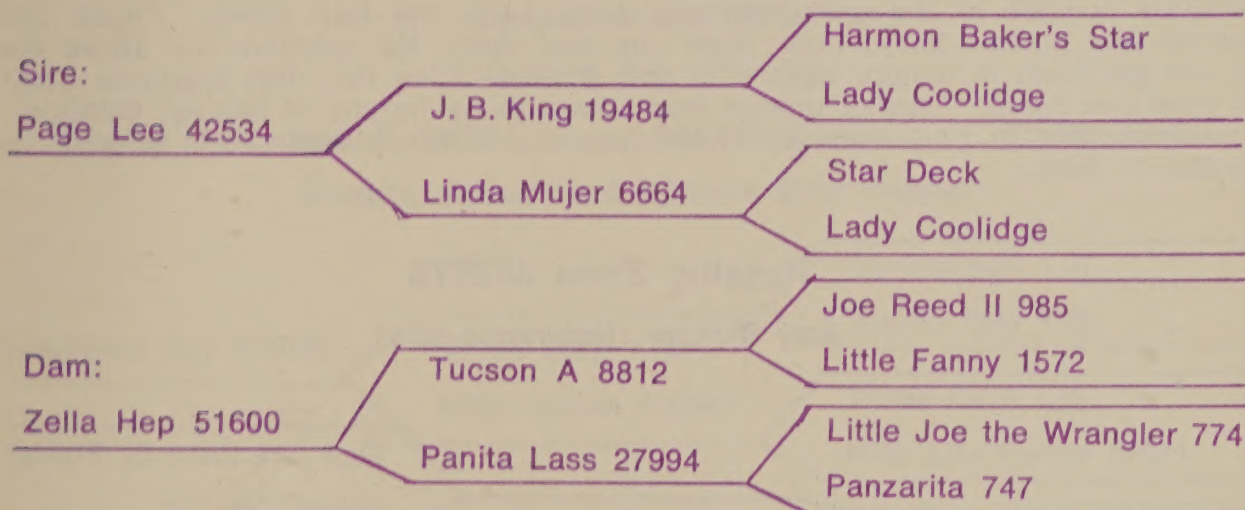

At this sale you will have an opportunity to dip deep into the blood of Classy Bar through his sons Bobbin Bar and Chubby Bar Bee. Also through a number of his daughters.

We will offer no direct daughters of Classy Bar, as we are retaining what we have to cross on Jay Page and Joe Joe Jack (son of Two Eyed Jack, that we acquired from Howard Pitzer, Ericson, Nebraska).

**Jay Page 281,727 (Reference Sire) Owners — Doug and Nancy Dear  
A.Q.H.A. Champion**

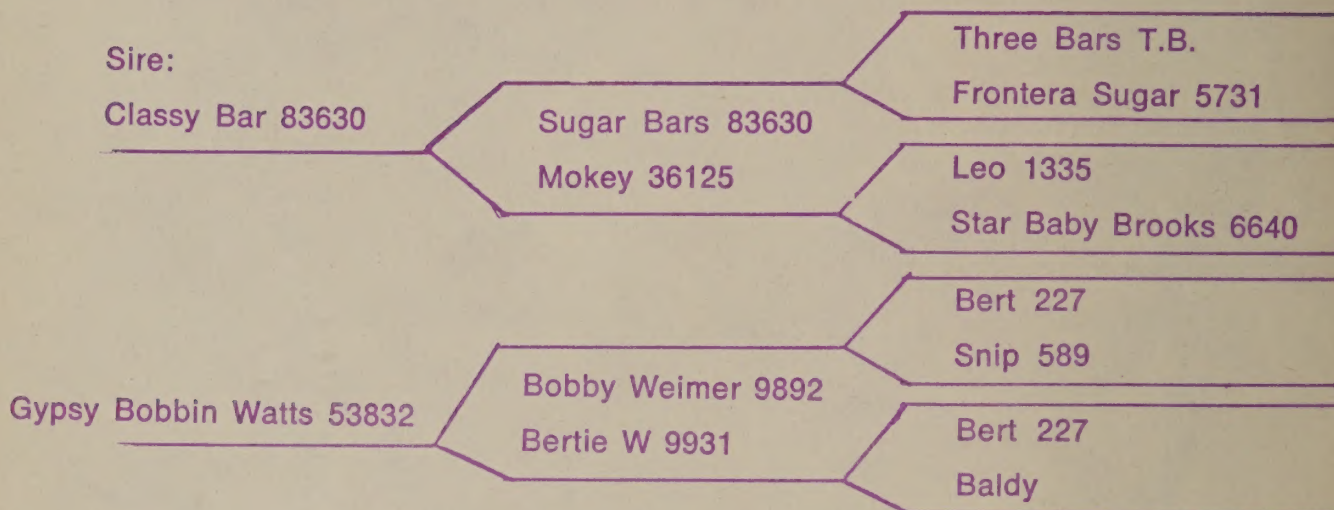

Every day we own Jay Page we think more of him. He attained his A.Q.H.A. champion points in one season, with exception of 4 points which he had in two halter shows before we purchased him. If there has ever been a pleasure horse on our ranch, Jay fits the bill. This, no doubt, helped greatly in being able to make him A.Q.H.A. in such a short time.

Jay Page — Sire of Lots 4, 5, 6, 7.

## Bobbin Bar 133769

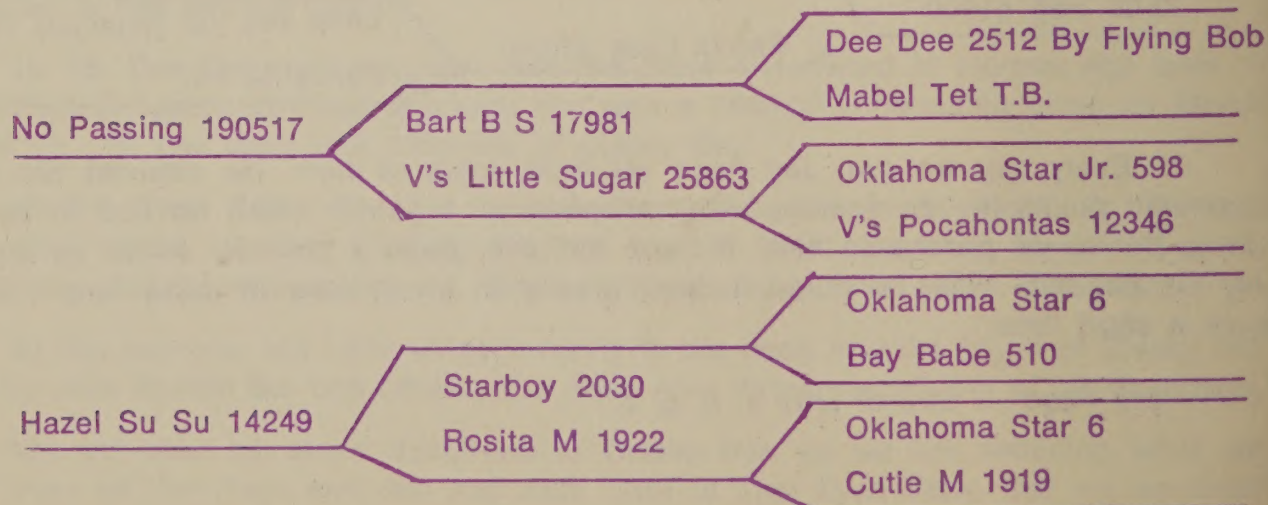

Bay Stallion (Reference Sire)

Bobbin Bar is the sire of more of the horses in this sale than any other stallion. Bred as he is no wonder he was used so often. The Bert and Classy Bar cross has proven itself to be one of the best for Doug and Nancy Dear. Such mares as Classy Angelita, Classy Mona Lisa, Classy Tangerina all have been champions at numerous shows. All carry this same breeding. Classy Tela Viv, now standing first in 2 yr. old studs in the Northwest Quarter Horse Association is of the Classy Bar, Bert cross. Bert bred horses have been, for years, noted for their ability as performance horses, show horses and a tremendous number of the speed horses today carry the Bert blood. Pages could be written on this horse's blood lines, both sire and dam. No question the Three Bars-Leo cross will go down in history as one of the greatest. The two first Supreme Champions came from this cross. They've proven themselves to be horses of beauty, balance, speed and insurpassable in performance. Their dispositions are pleasant and they've had the the brains to think.

## Passing Zone 362676

Gray Stallion (Reference Sire)

**Camptown Boy (Reference)**

**Lot 1**

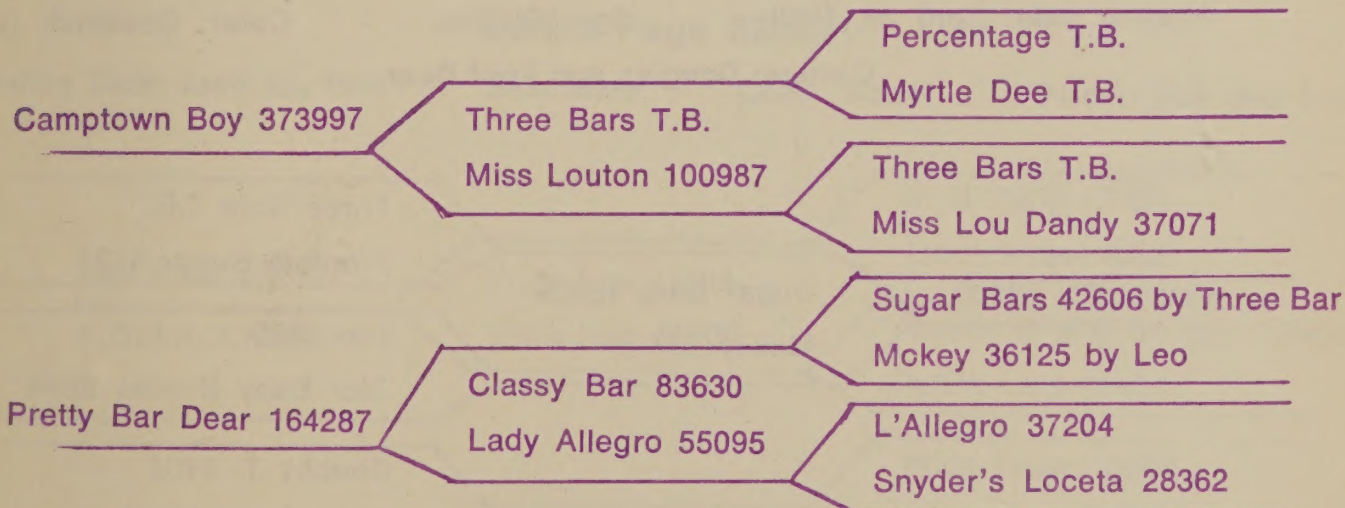

**Lesebre Bar 553836**

**Foaling Date: April 6, 1968**

**Sex: Stallion**

**Color: Sorrel**

**Owners: Russell and Barbara Dear Pepper**

A 2 year old colt that could be outstanding! How many with a pedigree like this do you find consigned to a sale? His sire, Camptown Boy is AAAT. He is sired by the great Three Bars, and out of the famous mare, Miss Louton who was AAAT, Champion Running two year old filly of 1960, Co-Champion Running Threè year old in '61. Camptown Girl, full sister to Camptown Boy is also AAAT. Pretty Bar Dear is sired by Classy Bar who has sired a number of AAA and A.Q.H.A. champions. Pretty Bar was scantly defeated by Classy Barrette (by Classy Bar) in the 1963 Charlie Russell Futurity. Here could be one of the great colts that will be offered in any sale.

## Lot 2

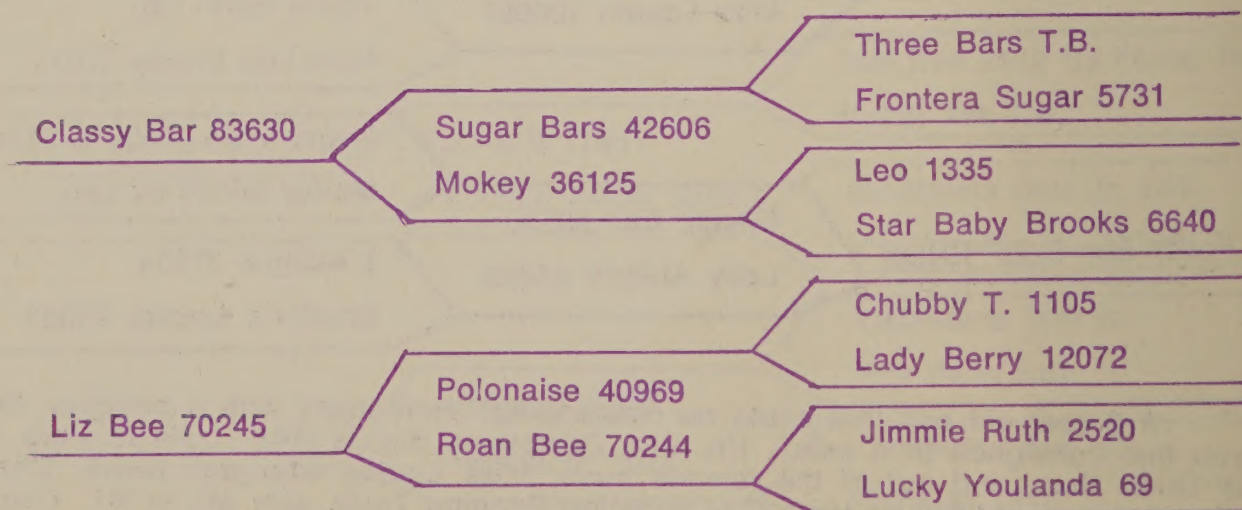

## Chubby Bar Bee 133771

Foaling Date: April 29, 1960

Sex: Stallion

Color: Chestnut

Owners: Douglas and Fred Dear

The sire of a number of the horses listed in the sale. Chubby was never shown extensively, but in '62 won his class at the Glendive Q.H. Show as a 2 year old. A horse that certainly could go on and show well. He is gentle and well broke to ride.

## Lot 3

## Holey Skyline (name applied for)

Foaling Date: April 26, 1969

Sex: Stallion

Color: Dun

Owners: Douglas or Nancy Dear

This stud colt will be started at \$1,000.00. We will reserve the right to keep him if no other higher bid is received. Had this colt not been on the ground at the time last spring when Poco Skyline was made a gelding, we'd not have done so. He looks just like his sire, and being from such a great mare as Miss Gillette, we are not anxious to sell at this time. Miss Gillette's colts have come on so terrific we are more than pleased with them. Dee Dee's mare, Classy Jilleena shows as much prospect of making a top barrel horse as anything we've watched. She was only started last spring and tied for first at District High School Rodeo, won a couple youth barrel races, and had the second fastest time at State High School Rodeo. Susan Fletcher's 3 year old mare, Classy Starleta has many wins to her credit, and was used by Susan in demonstration work in 4-H to end up in the top ten best demonstrations at Club Congress this year. Seldom have we seen a horse that listens and responds such as this filly does. Coupled with the ability of Poco Skyline in this stud colt, the sky could be the limit as to his future.

## Lot 4

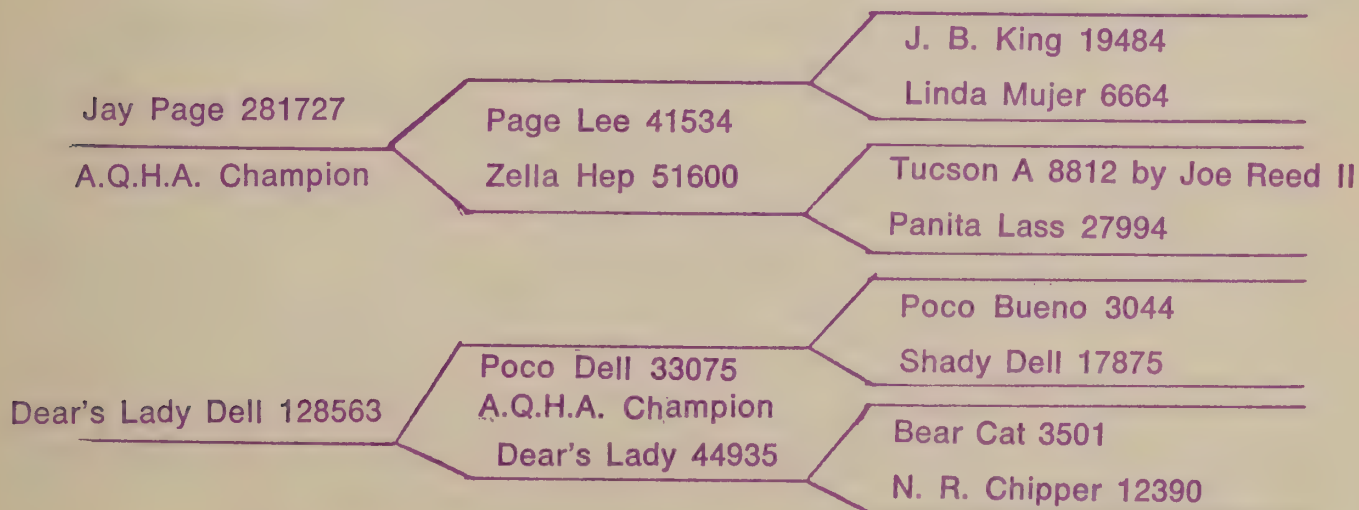

## Dellita Page 520491

Foaling Date: April 20, 1968

Sex: Mare

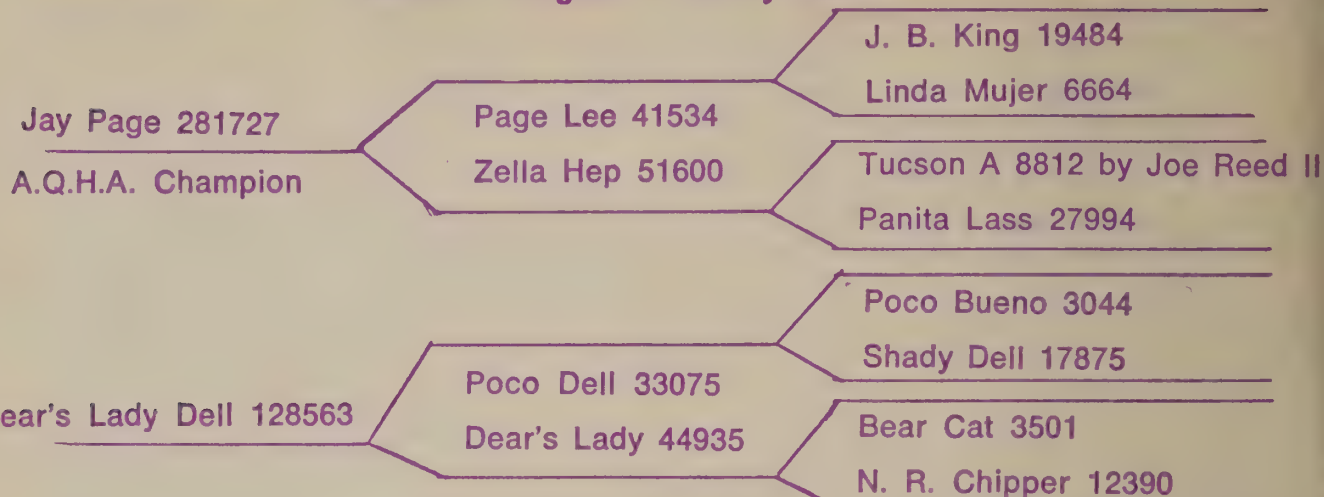

Color: Sorrel

Owner: Dee Dee Dear

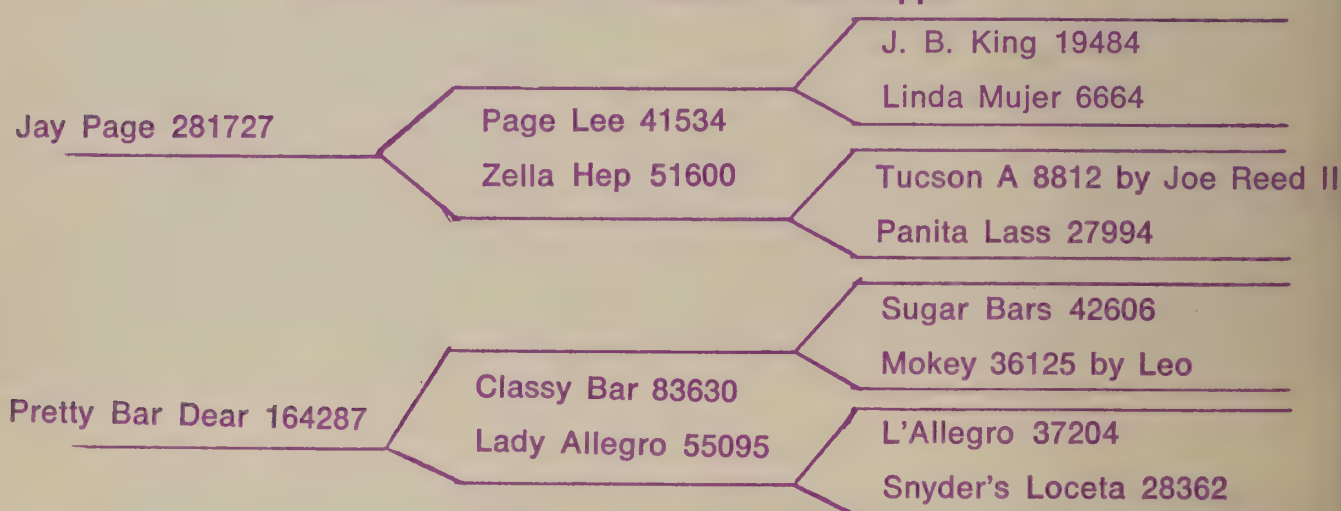

A beautiful filly, however, she is slightly crop eared, frozen when she was foaled. Full sister to lot 5.

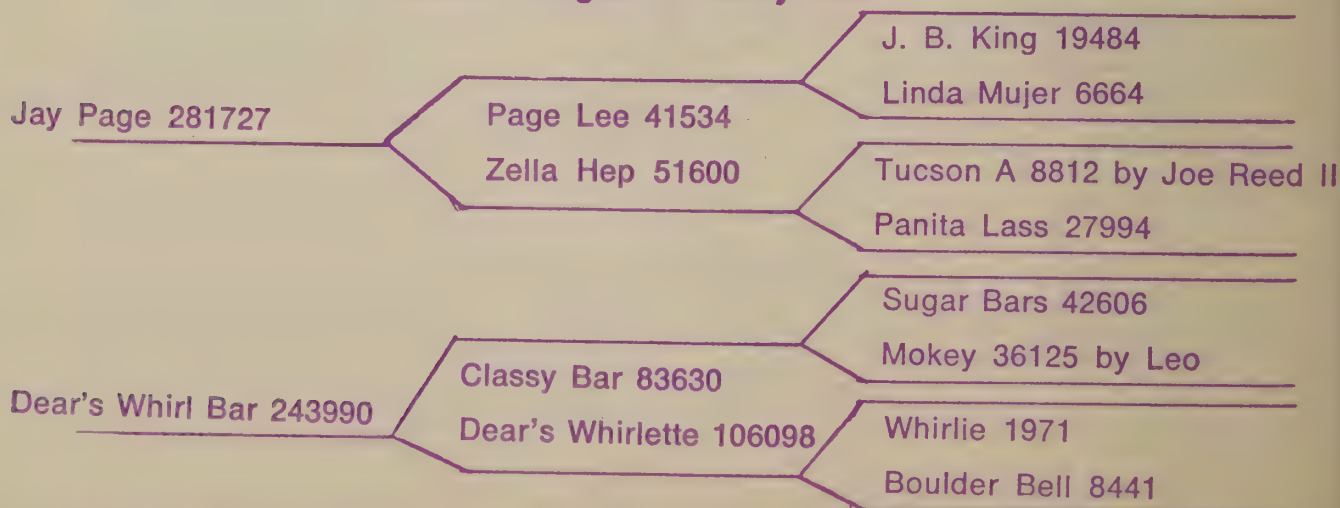

**Lot 5****Kolinda Page (name applied for)****Foaling Date: April 10, 1969****Sex: Filly****Color: Palomino****Owners: Douglas or Nancy Dear**

Looks like she could be a show filly, and bred as she is certainly should be able to do anything asked of her. Had we planned to show as much as we have in the past, this filly would have been retained by us. Full sister to Lot 4.

**Lot 6****Twylla Page (name applied for)****Foaling Date: April 4, 1969****Sex: Filly****Color: Palomino****Owners: Russell and Barbara Dear Pepper**

Another Jay Page filly out of a Classy Bar mare. Half brother to Lesebre Bar Lot 1.

**Lot 7****Vendetta Page (name applied for)****Foaling Date: March 25, 1969****Sex: Filly****Color: Sorrel****Owners: Douglas or Nancy Dear**

Another show prospect in every way, and the cross of Jay Page on the Classy Bar mare. Bred for speed, conformation and looks.

**Lot 8**

**Hollie Romala (name applied for)**

**Foaling Date: May 1, 1969**

**Sex: Filly**

**Color: Sorrel**

**Owners: Douglas or Nancy Dear**

A filly with a world of potential. Poco Skyline is by the great sire Holey Sox, considered by many to be one of the best cutting horses alive, and also a horse that has proven himself to be an all around at every event. Books could be written on the winnings of Holey Sox. Poco Skyline has consistently won at cutting and western pleasure for us, and when owned by Austin Beebe he won the Intermountain Futurity and in very few shows had won over the \$600 mark to put him out of the Novice. His full sister, Holey Daisy, has been a many times winner having last year won the Northwest Cutting Horse award for '68. This fillie's dam is no unknown, being the mother of such horses as Dear's Charm Bar A.Q.H.A. champion. Charm was High Point Halter mare, high point in Pole Bending and High Point in Western Pleasure for Montana plus being named National Honor Roll Youth Cutting Horse in '67. She also is the dam of Classy Cadet, owned by Dean Lindberg, a three year old gelding that is winning at the shows; dam of Classy Roper, owned by Floyd Peters and the dam of Dana Bar Miss the mare that was shown only twice, at the NILE (Billings) and Winter Fair Quarter Horse Show (Bozeman), beating the high point mare of Montana both times.

**Lot 9**

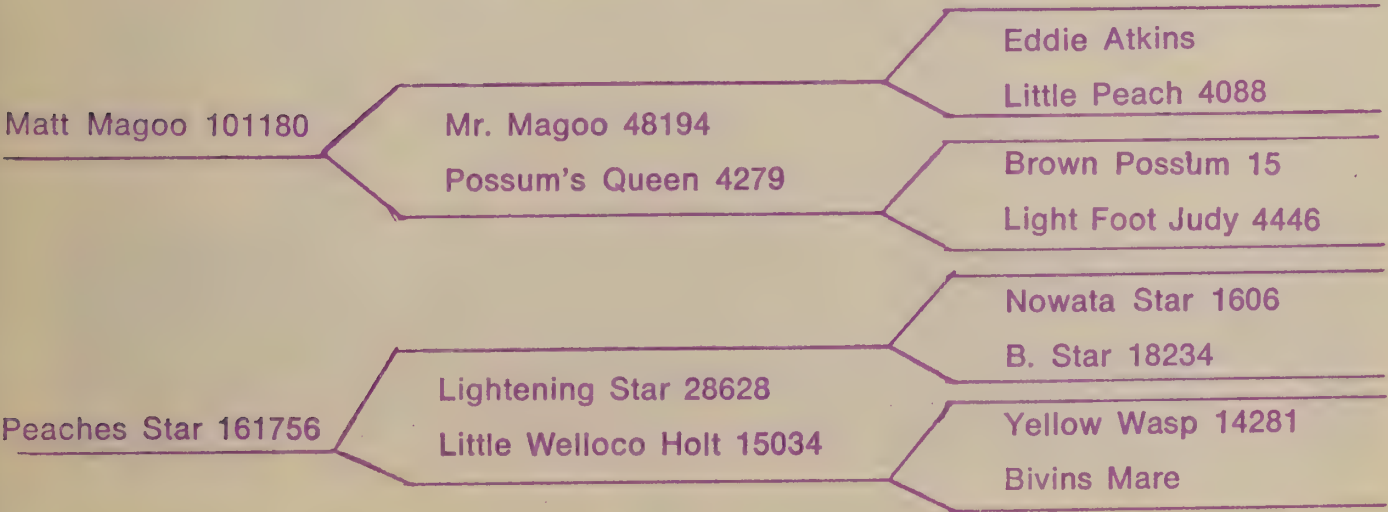

**Peaches Delight**

**Sex: Mare**

**Color: Sorrel**

**Bred by John F. Shuman, Byers, Colorado**

**Owners: Douglas and Nancy Dear**

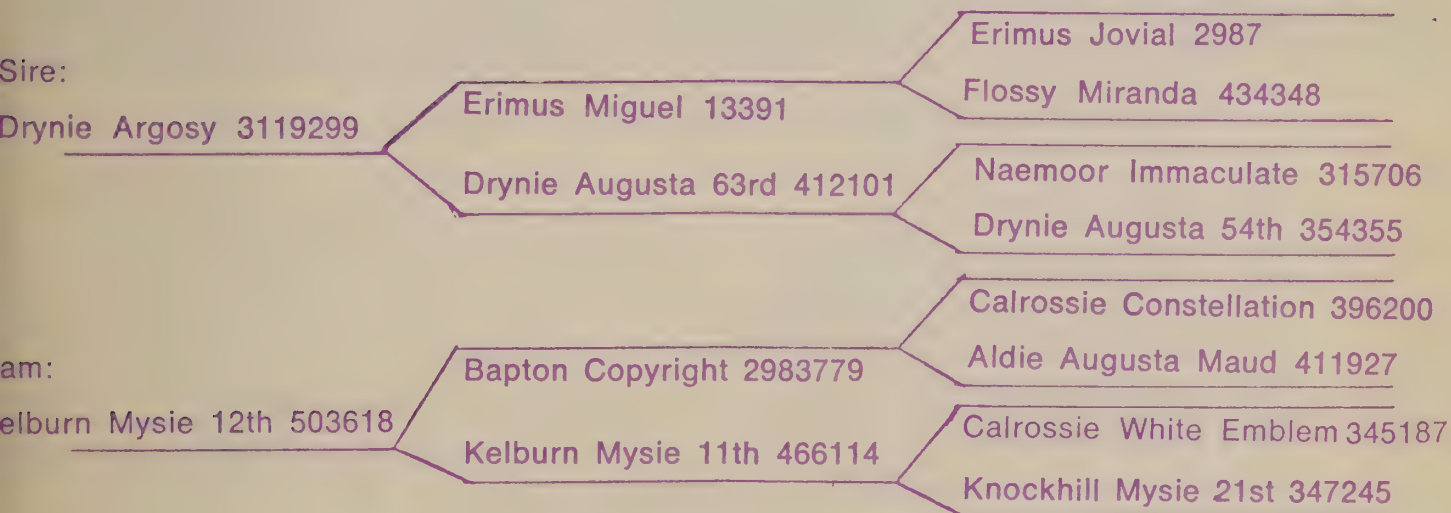

We purchased this bull at the Ak-Sar-Ben National Shorthorn Show and Sale. He was Grand Champion of the show. This bull comes from a long line of winning Shorthorn cattle, and from one of the oldest Shorthorn breeders in the business today. Acadia Napoleon 66th, the sire of Colomeadow Snow Storm is an AAA son of Kinellar Napoleon whose sons have won championships at the National Western, Ak-Sar-Ben National, American Royal, Colorado and Wyoming State Fairs, Dixie National and Ft. Worth.

**Remitall Argosy Major 3274—394**  
 pictured with a few of our Shorthorn cows and calves.

**Lot 66**

Remitall Argosy Major was selected from the famed Latimer herd, by Roy and Gertie Gfeller, and we purchased the bull from them. This is his third crop of calves. Whether you judge cattle by eyeballing, pedigree, performance or just plain cattleman's hunch, we believe this bull will measure up. In pedigree note that he carries strong line Calrossie Constellation, the world's best performance line of big, meaty cattle. Add to this the outcross of the famous fleshing qualities of Naemoor Immaculate, based on a female background of Augusta's—both sides—easily the most desired cow line in Shorthorns, and you have breeding that leaves little to be desired. Drynie Argosy was imported by the Latimer's.
